

Eckford Township Special Meeting October 26, 2020

A special meeting of Eckford Township Board was held on 2020 at October 26, @ 6:30 pm in the Eckford Township Hall. A quorum being present, the meeting was called to order at 6:30 pm by Supervisor B. Rapp. Other board members in attendance, Treasurer T. Baylis and Clerk L. Blight. Absent: Trustee K. Lawrence and Trustee W. Cornell. And Branden Maksimchuk.

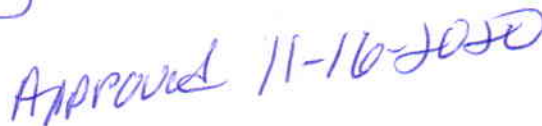

Calhoun County Road Commission called and requested that we submit the road work we would like done in the township the summer of 2021. The attached sheet is what the board decided to submit. On Tuesday November 10, Fredoina will Zoom call with the Road Commission and would like us there to discuss the shared project on H drive South from 18 ½ mile road to township line. The Road Commission wants to lay down 3 ½ inch overlay and we would like only 1 ½ inch. Because of the cost. We used the Eckford Township 5-year local road plan that we received in 2020 to base our work on. A board member will attend Fredoina's meeting.

No action was taken at this time.

Meeting was adjourned at 7:45 pm
